Subject: Allow Uber to operate

To whom it may concern,

I am a Charleston, SC resident who was excited when Uber first came to town - but now I am angry that you are disallowing them to operate.

As a frequent business traveler, I use Uber in cities across the country. It is safe, clean and the drivers provide exceptional service.

When my wife asked me why bureaucrats in Columbia were disallowing Uber, my reply was: "Big government is why we can't have nice things."

Allow Uber to operate in SC. I am a taxpayer here and I will contact all of my legislators to urge them to fight you on this decision.

Thank you,

Curt Mercadante
